## SKILLS

HTML CSS

Java JavaScript

React Js SCSS

PHP SQL

## LANGUAGES

English

C2

Ambitious and hardworking individual who is energetic and eager to learn new skills. I am adept at handling multiple tasks on a daily basis competently and at working well under pressure. A key strength of mine is communication, building strong relationships with people is important to deliver the best results.

## WORK EXPERIENCE

### Front End Developer Intern

(02/2022 - Present)

KosovaOutsource

This internship started by creating a few tasks, then I continued to create a react js app all by myself. Apart from react I learned more about github and some of the main git commands and later on I learned how to deploy these apps on netlify.

## EDUCATION

### Faculty of Computer Sciences - Software Design

(09/2018 - 11/2021)

Bachelor, University "Ukshin Hoti" Prizren

### Faculty of Mathematics and Natural Sciences - Mathematics

(09/2015 - Present)

Bachelor, University "Hasan Prishtina" Prishtine

## AWARDS

### 1st Place On Hackathon

(10/2021)

ICT For Kosovo's Growth

Created an online multi vendor marketplace for artisanal creators where they could register themselves as sellers and sell their own creations and also receive requests from buyers to create personalized items.

## CERTIFICATIONS

### Web Application Development Professional

(02/2022)
